adapting powering mounting charging

for wireless audio systems

We have listened... for the multitude of technological demands within movie production, electronic news gathering and stage production, wireless audio systems have to be configured and implemented in various ways to enable a flawless workflow. As experienced solution provider for pro audio systems we have gained significant and broad insights into the technological challenges of our customers and how existing audio technologies have to be adapted to fit their demands.

On this basis we are able to develop accessories that our customers actually ask for – you need solutions and ease of use? We hear you.

...adapting

DWA-03P25-A

UniSlot XLR Adapter for Sony DWR-S03D · 2 channel analog/digital audio output via attached 2 x 3-pin XLR cable · power supply via attached Hirose input cable · cables can be mounted on left or right side

DWA-03P25-D

UniSlot miniXLR Adapter for Sony DWR-S03D · 2 channel digital audio output via attached 1 x 5-pin miniXLR · power supply via attached Hirose input cable · cables can be mounted on left or right side

DWA-03P Stand

Tablestand plate for DWA-03P25 for placing DWA-03P25 standing on a flat surface

DWA-603P25

Tripple UniSlot DB25 Adapter UniSlot mount for 3 x DWR-S03D 6 channel analog/digital audio output via 25-pin Sub-D connector (Tascam DB25 layout) · power supply via 4-pin Hirose socket (cable not included)

BAT-NPF1

Battery powered UniSlot Adapter for Sony DWR-S03D · Slot for 1 NP-F battery · 2 channel analog/digital audio output via 5-pin mini xlr connector · 3-pin XLR output cable available seperately · can be mounted on 1/4 Inch thread, belt clip or shoe-mount adapter

BAT-NPF2

Dual battery powered UniSlot Adapter for Sony DWR-S03D 2 slots for NP-F batteries · batteries can be swapped during operation for long time operation (one at a time) · 2 channel analog/digital audio output via 5-pin mini xlr connector · 3-pin XLR output cable available seperately · can be mounted on 1/4 Inch thread, belt clip or shoe-mount adapter

BAT-NPF Output Cable

2 channel 3-pin XLR ouptput cable for use with BAT-BPF UniSlot Adapter 1 x 5-pin mini-XLR female -> 2 x 3-pin XLR male

...powering

BATU-1500

BATU-2000

BATU-2400

**1500/2000/2400
mAh LiPo battery**
for use with
Sony UTX-B40
and URX-P40/P41

BATP40-NP

NP-BX1 battery adapter
for Sony UTX-P40
enables use of NB-B1 LiION batteries
with UTX-P40 PlugOn transmitter
up to 12h running time

DC-DWX

Hirose power supply
for Sony DWX
for use with DWT-B01, DWT-B30,
DWT-P01 · 4-pin Hirose connector
with 40cm cable · Input 6V-20V

DC-UWP3

Hirose power supply
for Sony UWP-D Gen 3
for use with UTX-B03, UTX-P03,
URX-P03, URX-P03D · 4-pin Hirose
connector with 40cm cable
Input 6V-20V

BATX-NP

NP-BX1 battery adapter
for Sony DWX · enables use of
NP-BX1 LiION batteries with
DWT-B01, DWT-B30, DWT-P01
up to 6h running time

DC-UWP4

Hirose power supply
for Sony UWP-D Gen 4
for use with UTX-B40, URX-P40,
URX-P41D · 4-pin Hirose connector
with 40cm cable · Input 6V-20V

BATU-3NP

NP-BX1 battery adapter
for Sony UWP-D Gen 3
enables use of NP-BX1 LiION batteries with
UTX-B03, UTX-P03, URX-P03, URX-P03D
up to 10h running time for transmitter,
up to 8h running time for receiver

BATU-4NP

NP-BX1 battery adapter
for Sony UWP-D Gen 4
enables use of NP-BX1 LiION batteries
with UTX-B40, URX-P40, URX-P41D
up to 12h running time for transmitter,
up to 10h running time for receiver

...mounting

DWA-S03 CLIP

Belt clip
for DWR-S03D
can be used on front
or back of receiver

Belt clip
for DWT-B01
and DWT-B30
top down direction

DWT-B01/30 CLIP

P01-CLIP QXS

Boom clamp
for DWT-P01 on
Ambient QXS boom
comes with 2 clamp
sizes: 30mm and
34mm

MixPre4 Plate

Mounting plate
for up to 2 URX-Pxx
on MixPre 3,6 or 10

P01-CLIP VDB

Boom clamp
for DWT-P01 on VDB
boom M, L and XL
comes with 2 clamp
sizes: 32,3mm and
35mm

MixPre6 Plate

Mounting plate
for up to 3 URX-Pxx
on MixPre 3,6 or 10

DWM color cap

color cap for DWM
handheld transmitters
replaces the color ring
and lower cap · available
in various colors

UWP-D Case

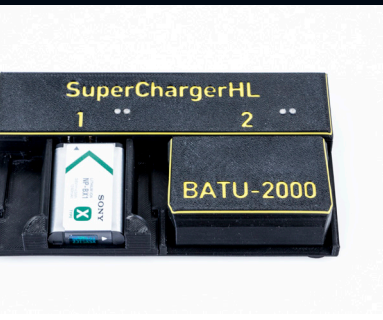

hardshell case for Sony
UWP-D Kits · fits 2 x belt
transmitters · 1 x handheld
microphone · 1 x receiver
1 x smad · 1 x microphone clip
and additional accessories

...charging

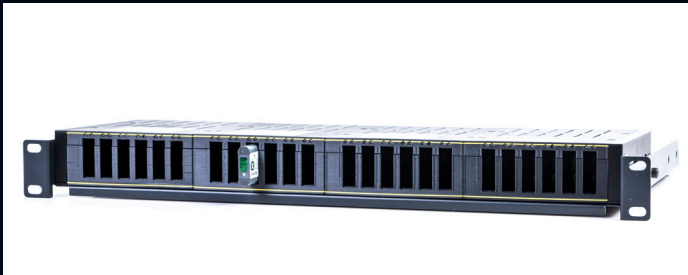

SuperChargerHL

2-Slot battery charger for use with BATU1500/2000/2400 batteries and BATNP-SC adapter
· LED indicating charging status (loading/full) · power supply via USB-C (cable not included)

ScSIX 24

ScSIX Rackunit assembled · complete charger for 24 x NP-BX1 batteries · 4 x SuperChargerSIX assembled in 19" ScSIX Rackmount frame
ScSIX PS with ICE power Input 100-240V (cable not included)

BATNP-SC

Adapter for charging NP-BX1 Lilon batteries in SuperChargerHL

SuperChargerSIX

6-Slot charger for NP-BX1 batteries
LED indicating charging status (loading/full)
power supply via 5V/5A, 5,5mm socket (power supply not included) · width 4,75"
